The Festival Musique & Vin au Clos Vougeot 2020 cancelled due to the coronavirus

Since 2008, Musique & Vin au Clos Vougeot has an exceptional vocation ;
that of creating a fusion between musicians of international fame and the winegrowers of Burgundy.
It is a unique festival which offers an amplified experience to its public,
where musical and wine excellence are intimately linked. Over the last 12 years,
the ten-days Festival presented some of the biggest names of the musical world.

Today, Government measures to tackle the health crisis are leading to the cancellation of festivals until July 15.
Aubert de Villaine and Bernard Hervet, respectively President and Director of the Association Musique & Vin au Clos Vougeot are forced to cancel the festival which was to take place from June 20 to 28, 2020.
Spectators who have already purchased their tickets will be reimbursed within 10 days.

In this period of crisis, we would like to thank our patrons, partners and our public for their faithful support.
We hope you all in good health.
