

2026 INSTRUMENTAL FUND AUDITION

THE INSTRUMENTAL FUND of MUSIQUE & VIN au CLOS VOUGEOT

Aware that acquiring a quality personal instrument is a major challenge for young musicians, because of the high cost, and knowing that many of them do not have access to it, the association Musique & Vin au Clos Vougeot decided to create, since the very first days of the Festival, an Instrumental Fund to help young artists at the beginning of their career.

Since the creation of the “Fonds Instrumental de Musique & Vin au Clos Vougeot » in 2010, more than 30 instruments have been ordered from violin makers with international references such as Charles Coquet, Stefan-Peter Greiner, Patrick Robin, Gunter Seifert, Petr Sledacek, Antoine Gonon, Franck Ravatin, Apostol Kaloferov and Bernard Sabatier.

2026 AUDITIONS

For the 2026 audition, the Instrumental Fund offers the loan of 7 instruments for a period of 1 to 3 years :

- One violin by Nicolas Caussin (18^e – French School)
- One violin by Gunther Siefert 2019
- One violin by Patrick Robin 2019
- One violin by Marc Paquin 2018
- One cello by Gunther Siefert 2023
- One cello by Yair Hod Fainas 2026
- One cello by Frank Ravatin 2015

To select the young musicians who will have the chance to benefit from the loan of a string instrument from the collection, the association organizes annual auditions.
